Dear Students,

Greetings from GCM School. How are you all? Hope that you all are fine and busy studying with the materials given to you soon after the result. The outbreak of novel corona virus have put a break to your class room learning and interaction with your teachers and friends. In order to compensate the same we are continuing with the online classes that we had already started (LKG- XII). The particular subject teachers will be sharing the lesson summaries, lesson related or content based video clips, assignments and home work to you students through the particular app Google class room. You can join the class room through a class code which will be given to you through SMS. In this app you can also share your doubts with your teacher .PDF form of the Text books are already in the School Website www.gcmschoolnowgong.in kindly download the books for your reference. I believe all of you will cooperate with us to reach out to you without much delay. Dear parents/ students kindly install Google classroom for your mobile or   login www.googleclassroom.com from your pc to join the online teaching. Wish you all the best and assure you our help and support. Praying for your safe stay and hoping to see you all back to the school soon. May God bless you all.
